CounterCool[®]

BY LAURA'S GOURMET

AMPLE STORAGE & HEAVY-DUTY PERFORMANCE

CounterCool by Laura's Gourmet is engineered to meet the demands of busy culinary environments. Featuring slide rails spaced 3" apart, this rack ensures optimal air circulation around your foods—ideal for cooling baked goods, storing prepped ingredients, or staging plated dishes. With a robust 40 lb. total weight capacity and support for up to 8 lb. per pair of slides, CounterCool offers exceptional durability and strength for commercial use.

Whether you're operating a restaurant, bakery, catering service, or culinary classroom, this half-height rack is the perfect solution for a variety of operations. Its sturdy metal frame is built to withstand daily wear and tear, making it a reliable choice for supporting pans filled with cookies, pastries, roasted meats, or other prepared foods throughout the kitchen area and its portability makes use off premise simple and easy.
